

Find a DocuSign Envelope ID

Brad Felker - 2021-11-30 - DocuSign FAQs

When dealing with issues involving DocuSign Envelopes, DocuSign Support will often require the Envelope ID. This can now easily be found within the Envelope itself:

1. From the Opportunity, access the DocuSign Room that you will be adding the documents to.

- [Click here](#) to learn how to access the DocuSign Room for an Opportunity.

2. Go to the **Envelopes** tab of the Room and **select the Envelope**.

3. Click on the **Envelope ID Link** in the Envelope and click to copy the ID.
